## Save Your Worn Tires

You Can Get 5,000 to 10,000 More Miles out of them by using Gates Half-Sole Tires. We will put them on for you and change your old tires into new ones at about one-half the price you would have to pay for new tires.

Your tire comes into our plant, worn and scarred from service, and we deliver it back to you—the same tire—made oversize and with a brand-new non-skid tread of fresh rubber. Not a square inch of your old tire will be in sight, and you will not be able to tell it from a new tire.

**GATES HALF-SOLE TIRES**

Are absolutely guaranteed for 5,000 miles of wear without a puncture—anywhere—anytime! Call or write to 1000 Main Street, Corpus Christi, Texas. You cannot get this kind of guarantee anywhere else from any tire on the market without paying two or three times the cost of a Gates Half-Sole Tire.

**LET US SHOW YOU**

Don't throw away another worn tire until you have investigated the Gates Half-Sole. If you are taking the tire off, you will be interested and we are ready to show you how to keep in your own pocket a big part of the cost of new tires and get better tire service than you have ever had before. We guarantee it.
